Mr. Allen Dulles
Central Intelligence Agency
Washington 25, D. C.

Dear Mr. Dulles:

Dr. Stratton, Provost of the Massachusetts Institute of Technology and Director of the Center of International Studies, plans to present the program of the Center to the Psychological Strategy Board and members of the staff on Wednesday, November 7th, from 10:00 to 12:00 a.m., in my office.

You will recall that this Center is a continuation on an established basis of the work recommended by the Troy Report and
The work of the Center, in my opinion, has a particular interest to the Psychological Strategy Board.

STAT

Dr. Stratton will be accompanied by his division chiefs, and the presentation will give in detail the contribution and the goals of the work of the Center. I hope you will find it possible to attend.

Sincerely,

Gordon Gray
Director
